

## Product Manager / Produktmanager (m/w/d)

Are you motivated, committed and keen to join a young and dynamic team? Then you've come to the right place! We are looking for a Product Manager / Product Manager (m/f/d)

### Your mission

- You take care of the maintenance of the webshop articles in the webshop.
- You plan and supervise the addition of new products.
- You create product specifications in cooperation with various departments
- You work in a webshop team that develops new functions in cooperation with the IT department.
- You are the first point of contact for communication with new partners
- You identify market trends and customer needs in close cooperation with the sales team.
- Carrying out competitive analyses and deriving appropriate measures to position our products on the market
- Responsibility for the entire product life cycle from conception to market launch and beyond

### Your profile

- You have successfully completed a commercial apprenticeship or have professional experience in a comparable position.
- You have a great passion for web shop functions.
- You scrutinize existing processes and independently drive new projects forward.
- You have empathy, organizational talent and assertiveness, so that you prioritize goals, tasks and responsibilities at all times and remain committed.
- You can quickly familiarize yourself with new work processes, have very good comprehension skills at work and have good time management skills.
- You have very good MS Office skills and very good analytical skills
- You work in a structured and conscientious manner, have good problem-solving skills, are results-oriented, willing to learn and reliable
- You are known for your determination, want to drive things forward and have a healthy dose of humor
- You like to think outside the box.

## Product Manager / Produktmanager (m/w/d)

### Languages

- German and English for correspondence with customers
- Other language skills an advantage

### Personality

- Flexible, communicative, problem-solving and reliable team player

### Our benefits

- You have the opportunity to become part of a fast-growing company and play a key role in the development of our new and innovative business model.
- You can expect a highly motivated team that supports and drives each other.
- We offer you a full-time position (40h).
- An attractive and transparent salary model will reward your commitment.
- Individual bonuses, coffee for free and seasonal company events sweeten your working hours.
